VOLTAS introduces, industry’s first, Adjustable Inverter AC range, with the unique value proposition of Flexible Air Conditioning

- Augments its Product Portfolio, with the introduction of its 2019 range of Cooling Products
- Strengthens its range of Voltas Beko Home Appliances
- Strengthens its offerings in Air Coolers & Commercial Refrigeration Products

Mumbai, March 19, 2019: Voltas, India’s undisputed leader in Cooling Products, and the No. 1 AC brand, from the house of the Tata’s, has further strengthened its leadership position in the Cooling Products space, by launching its new range of Voltas Adjustable Inverter ACs.

Launching the new range of Air Conditioners, Mr. Pradeep Bakshi, Managing Director & CEO, Voltas Limited said, “Having already built a strong equity in the savings and comfort space, we want to take our product offerings to the next level of convenience. Our new range of Adjustable Inverter ACs, compliments the consumer’s need for convenience, along with savings. With this launch, we have further enhanced the technology quotient in our products, to exceed customer expectations.”

Voltas’ Adjustable Inverter AC comes with the unique value proposition of ‘Flexible Air Conditioning’ that allows the user to switch from 1.5 Ton to 1 Ton capacity, and vice versa, depending on the ambient heat or number of people in the room; leading to savings and optimization of running cost.

The overall Voltas 2019 AC product range includes over 100 SKUs, with 39 SKUs in Inverter ACs, 26 in Split ACs and 32 in Window ACs, besides Cassette and Tower ACs

Voltas’ new range of ACs are also coupled with unique & exciting promotional offers for consumers, this summer:

- Lifetime Inverter Compressor Warranty
- 5 Year Comprehensive Warranty
- Attractive Cashback through credit cards
- 0% Consumer Finance through NBFCs

The Company has also launched 39 new SKUs of its Voltas Fresh Air Coolers with Smart Humidity Controller, under various sub-categories such as Personal, Window, Tower

Key Features of Voltas Adjustable Inverter ACs:
- Adjustable Mode: Intelligent switching from 1.5 ton usage to 1 ton usage, basis ambient heating and number of people in the room
- CO2 Reduction: Provides cleaner air by reducing levels of CO2
- PM 2.5 Filtration: Maintains indoor air quality by providing dust-free air
- Eco-friendly Refrigerant: Green refrigerant, which is environment friendly
- Stabilizer Free Operation: Protects the AC from wider range voltage fluctuations
- High Ambient Cooling: Keeps user comfortable even at 52 degree celsius

Key Features of Voltas Fresh Air Coolers:
- Smart Humidity Controller: optimizes the humidity in the air
- Turbo Air Throw: Large fan size delivers powerful air throw to cool large spaces.
- Triple Filter Advantage: Helps to remove dust particles, micro-organisms and other hazardous particles
- Anti-bacterial tank: Reduces bacteria formation in the tank and limits algae growth
- Honeycomb Cooling pads: More durable, and provides uniform cooling without letting dirt and sediment deposit.

1 Lifetime warranty is restricted to the life of the product which is 10 years as per the E-Waste Rules
and Desert Air Coolers. The Company also strengthened its overall portfolio by introducing **43 SKUs of Commercial Refrigeration** products, including Convertible Freezer, Freezer on Wheel and Curved Glass Freezer. The Company has launched **25 SKUs of Water Dispensers** and **22 new SKUs of Water Coolers**.

Through its new Home Appliances brand, **Voltas Beko**, the Company has launched **31 SKUs of Refrigerators** including a bottom mounted refrigerator series, and a new handle design, with new floral pattern. Voltas Beko launched **5 SKUs of Front Load Washing Machines** with AutoDose Technology, **12 SKUs of Top Load Washing Machines** with Dual Power Rain feature and **9 SKUs of Semi-Automatic Washing Machines**, with Toughened Glass and Soft Fall features. The brand also launched **3 SKUs of Dishwashers** and **9 SKUs of Convection Microwaves**.

**Key Features of Voltas Beko Home Appliances:**

**Refrigerators:**
- **StoreFresh+ Technology**: up to 30 days² freshness of fruits & vegetables.
